COMPONENTS

SOUTHERN ILLINOIS

After June 21 there's no doubt about the affection and esteem his friends hold for William A. McKee of Benton. Nearly two hundred people gathered at the Benton Country Club that evening—from Chicago to Cairo and from St. Louis to Carmi—to pay tribute to him.

John J. Corlew of Mt. Vernon began by saying, "We have come here not to bury ole Bill McKee, but to praise him," while Glenn E. Cartwright of Chicago, a past president of the State Society, declared that Dr. McKee is "the epitome of dentistry in Illinois."

Howard A. Moreland of Cairo, co-chairman of general committee with John Corlew, acted as toastmaster and introduced an impressive array of fifty speakers, including the following: Dean LeRoy Main of the St. Louis University Dental School, and Father Francis J. O'Reilly, S. J., president of the school from which Bill graduated. Said Father O'Reilly: Thousands of graduates "have come and gone," but one graduate like Dr. McKee makes it worthwhile.

On behalf of Governor Stratton and Judge Vera Binks, head of the Department of Registration and Education, Mr. Phil Hutchison, technical advisor to the Department, presented Bill with a plaque "in recognition of fifteen years of meritorious service as a member of the Illinois State Dental Examining Committee." Mr. Hutchison stated that, to his knowledge, "this is the first time that such a plaque has ever been presented to any member of a committee by the Department." A message of congratulations from Governor and Mrs. Stratton was also read.

The final tribute was paid by Dr. Mary Meade of Carmi, who listed the great range of honors which have come to Dr. McKee since he entered St. Louis University in 1902 after working, among other things, as a farmer and newspaper man. Not only is he a member of numerous honorary societies, but he has held all the top positions in area and state dental associations, and is a fellow of the American College of Dentists and a consultant in prosthodontics in the Veterans Hospital at Marion.

Charles N. Stilley of Benton, chairman of the local arrangements committee, was the busiest man of the evening, trying to get all of the proceedings down on a recording machine for posterity. That should prove very interesting to hear.

As a memento of the evening, Bill was presented with a gold wrist watch, after which he joyfully announced, "Now I'll know what time to go to the office every morning."

Sharing the spotlight with Bill was his wife, who also received many tributes. The couple celebrated their 56th wedding anniversary on July 11.

Everyone who attended this meeting had a really enjoyable time, even though there was an overflowing crowd. The general committee headed by John Corlew and Howard Moreland, and the local arrangements committee, headed by Charles Stilley, are certainly to be congratulated for the fine work they did before and during the dinner meeting.

In closing, we of the Southern Illi-

nois Dental Society would like, once again, to wish Bill and Mrs. McKee the best of everything for the future, and we hope they will be with us for a long time to come.

See you all at the next meeting.

PRAIRIE VALLEY

The fourth annual picnic and golf outing was held at the Midland Country Club at Galva on June 20 with twenty-two members attending. Ted Burcky of Galva was the chairman, and as usual we had a wonderful time. That fried chicken dinner was enjoyed every bit as much as the golfing and other entertainment.

Bob Eyre, E. G. Tribbey, and Chuck Thomas took the golf honors for the day, and the prizes as well. These were graciously donated by Logan Dental Laboratory and the Rovane Dental Supply Company.

As I was visiting around during the afternoon, I was surprised that no one from Bushnell or Macomb was present. Heard also that H. F. and Mrs. Watts, of Galesburg, celebrated their golden anniversary; our hearty congratulations and a wish for the best in the years yet to come.

LaVerne Meyers of LaHarpe is both proud of and busy with his twin boys —future members, no doubt, of Prairie Valley about 1981.

Walter Pacey mentioned that his son, Jack, graduated in June from Northwestern. He will go into the Army shortly, after which he may become associated in his dad's practice. Jack is a fine boy and should do very well.

On May 24 the dentists of Monmouth gave a testimonial dinner for Earl B. Knights and Ross B. Vaughn. Both Dr. Knights, who has served dentistry for fifty years, and Dr. Vaughn, who has been a dentist for forty-four years, deserve a lot of credit for their efforts. We all wish them good health and continued success.

Looks like that just about "does" it for this month. Am always glad if members will send me news items. It's pretty hard to tell other people about what's going on, if you don't hear about it first. So, boys, let's hear from you, and soon.—*Charles E. Lauder*

LA SALLE

LaSalle Dental Society's summer sports meeting was held on June 21 at Deer Park Country Club. We had a fine turnout for the golf game, cocktail party, dinner, and two very fine sports films. Congratulations to Burt and Wiese for a good program.

Holmes Burt had low gross, and the others who won prizes were Shaheen, Wiese, Vespa, Heidenschough, McLoughlin, Hopkins, and Roe. Special door prizes were won by Daugherty, Zukowski, and Postma.

Our next get together will be the annual dinner dance at the South Bluff Country Club in September.

Our condolences to Vernon Damer whose father passed away June 9 in Chicago.

See you at South Bluff in September.—*A. L. Zukowski*

EASTERN ILLINOIS

Several of our members and dentists from adjoining component societies were the guests of honor at a dinner given on June 27 by the certified dental assistants of the Eastern Illinois D.A.A. Among those attending were David Baughman, Amos Powell, T. E. McMeekan, Herman Lumpp, Wayne Neal, John Keppler, and pharmacist Arnold Ewing, all of Mattoon; Gerald

Goetz of Tuscola, William Tym of Charleston, Walter Gonwa of Chrisman, Charles Milone and George Starr of Effingham, Don Butler of Sullivan, and Eulin Brown of Arthur. These men served as instructors for the assistants' certification course.

Faces we miss: Bob Elwell of Oakland, Jim Baumann of Paris, and Bill Sundermann of Charleston.

We like to see: Walter White of Shelbyville, who is always one of our regulars. Hugh Watters of Bethany, who visits occasionally.

We hear that: Henry Gresens of Toledo is planning another plane trip. Here is one fellow who gets around and enjoys living. Says, "It's wonderful up in the clouds."

The "50-year" party given for William Tym was really tops. The chicken was delicious; surroundings, excellent; refreshments, potent.

Chick Montgomery's home in suburban Charleston is really a show place.

Vacation bound: Eulin Brown to Denver and the famous Brown Hotel. George Ruff of Paris, vacationing in Portland and points west. Herman Lumpp, just back from a nice trip.

Thanks for the nice compliments concerning our EI column. It's fun doing it. The real credit goes to Editor Schoen, since he adds the final touches.

Just five more months to go in '56. Hope to see you all at the next meeting!—*W. L. Podesta*

PEORIA

The Peoria District Dental Society installed their newly elected officers at a short business meeting at the Pere Marquette Hotel on June 4. The slate of officers was listed in the May JOURNAL.

The annual picnic was celebrated at beautiful Canton Country Club. Much appreciation is extended to Russell Burke and his committee and to the committee from Canton for doing such a splendid job. Needless to say, a good time was enjoyed by all—except those who lost on the golf course or afterwards at a friendly poker game. There were eighty-three in attendance and a wild estimation of the prizes could be set at 200. Even yours truly won! Other "pertinent" statistics include the following:

In golf the low gross were F. P. Gleeson and Phil Chain (Phil must be slipping. Someone tied him! Age creeping up.) Low gross, Pat Hoag. Low net, Francis Euard (must have a terrific handicap). High gross, Joe Schmitt (thought sure your editor would cop this!).

Best caster (that's caster not actor), Cliff Becherer.

Best dart thrower, Chuck Williams.

Won most poker money (had best time too), Dr. Hartz.

Lost most poker money (as usual), Tony Peters.

Lost most golf money (as usual also) Loren Mc Ewen and Bud Kreft.

Won most golf money (from those who lost most golf money), Louie Tinthoff and Jay Mitchell of Morton.

About a week ago, Russell Burke called and said in a pleasant voice, "We would like you to be editor for the local "Extractions" and the ILLINOIS DENTAL JOURNAL. I'm sure there's *no* work to it, takes little time, and will force you to brush up on your spelling. Thanks a lot for accepting." The next day the previous editor came bounding into my office, stack of papers and regulations in his arms, with a fat smile spreading from ear to ear and said most joyously, "Here, sucker. Just heard the good news. Thank heavens I've been rescued after two long years. Good luck!" What opposite views!! I wonder who was right??

Bill Barclay, the previous editor, did a wonderful job and deserves some recognition. I hope I can do as well.

Many members are on vacation and I hope they will contact me upon returning so I can report their activities to you next month.

The Auxiliary elected the following slate of officers for the 1956-1957 year: President, Mrs. C. Paesani; vice-president, Mrs. A. Sarron; recording secretary, Mrs. W. D. Ulrich; corresponding secretary, Mrs. P. Chain; treasurer, Mrs. J. Burrell; historian, Mrs. E. J. McCorkle; board members, Mrs. J. R. White, Mrs. J. R. Powers, Mrs. S. G. Sandy, and Mrs. R. J. Burke.

Dr. Austin, a dentist for many years in Peoria, passed away on June 6.

The Peoria District Society is extremely proud of the forthcoming testimonial dinner in honor of one of our most prominent members, Dr. L. H. Jacob. An announcement was sent to every state member. Once again, keep August 11 in mind for this occasion. The dinner will be in the Chicago Room of the LaSalle Hotel in Chicago at 7:00 p. m.; reception at 6:00 p.m. Send reservations and checks to the Secretary's office as early as possible.—*Bud Kreft*

We hope that all of our component society's editors and members are enjoying good weather and relaxing vacations.

BOOK REVIEWS

A Text-Book for Dental Assistants

By Irwin Robert Levy, D.D.S., director, dental assistant division, Eastern School for Physicians' Aides.

Fourth edition; revised. 293 pages with 237 illustrations; dictionary of 1500 dental terms. Price $4.50. Philadeplhia: Lea & Febiger, 1955.

The author most graciously dedicated this book to the American Dental Assistants Association in recognition of it's accomplishments in achieving the present educational standards of its vocation.

The author of this 293 page book has remembered that there are many different methods of performing most dental procedures and has described the techniques and methods most popular throughout the profession; he has also described alternate accepted methods, giving a clear understanding of the background of each phase of work the dental assistant may be called upon to perform.

It contains eleven chapters covering all phases of dental assisting, with complete description and a wealth of information in each chapter. This includes a dictionary of commonly used dental terms that are explained in words that are readily understandable. This is really a valuable part of the book.

For the beginner, the book will prove to be invaluable; from it she can learn much that her busy employer will not have the available time to go into details on. And it will be a good reference for studying the points he does tell her.

For the experienced dental assistant, it will be an excellent reference text; here she will find answers to the many new problems which arise periodically in a dental office. It will also encourage her to seek further knowledge in the constantly advancing science of dental assisting, thus making her more valuable to her employer and to society.

Altogether, this book has been very clearly written and is easily understood. A good example of this is the chapter giving the description and use of dental instruments and materials. It certainly is a help—especially to the beginning assistant—to have all this material written down where she can read it when she needs the information.

While every dental assistant does not have the opportunity to perform all the different duties mentioned in this book, knowledge of them makes her far more valuable. Every dentist would do *himself* a favor by giving his dental assistant a copy of *A Text-Book for Dental Assistants.*

FLUORIDATION PROGRAMS BEGUN IN SANTA FE, CLEVELAND

Within the last two months two important cities have begun fluoridation of their water supplies—Sante Fe, capital city of New Mexico, and Cleveland, Ohio.

Santa Fe, with a population of 31,298 became the second city in its state to have fluoridation in operation. Because much of the state's water contains natural fluorides, nearly fifty percent of the state's population is now drinking fluoridated water.

Beginning July 2, 1,200,000 residents of Cleveland were included in the fluoridation program. Under consideration for more than five years, the fluoridation measure was approved by the city council in 1951; it was challenged, however, through the courts up the U.S. Supreme Court which last May dismissed an appeal from an Ohio Supreme Court decision. The state high court ruled that fluoridation "constitutes neither an infringement of the constitutional liberties of the citizens" nor the illegal practice of medicine.

With the Cleveland program in effect, there are now 1,232 U. S. communities served by fluoridation—over 25,564,000 people.

DR. GEORGE DENTON NAMED TO CHICAGO FACULTY

Dr. George B. Denton, research consultant of the A.D.A. Bureau of Library and Indexing Service, in charge of the nomenclature project, has been awarded the honorary appointment of professorial lecturer in historical odontology at the Zoller Memorial Dental Clinic, University of Chicago.

This appointment was announced by Dr. Frank J. Orland, clinic director. Dr. Denton has been a member of the A.D.A. staff since 1949. He formerly was professor of dental history and literature at Northwestern University Dental School.

MID-AMERICA JUBILEE TO BE HELD ON ST. LOUIS WATERFRONT

During the entire month of September, 1956, the Mid-America Jubilee will be held on the St. Louis riverfront. This exposition will cover some thirty-seven acres and will be open daily from eleven a.m. till midnight.

The St. Louis Dental Society will

have a large exhibit, depicting the advances made in dentistry in the past one hundred years. This exhibit is part of the St. Louis Dental Society's observance of its Centennial Year as the oldest local dental society in existence.

STRONG CENTRAL AUTHORITY RECOMMENDED FOR CD

Additional statutory authority and financial support for the Federal Civil Defense Administration are needed for any real accomplishment in civil defense efforts, the A.D.A. said in testimony filed with a subcommittee of the House Committee on Government Operations.

"A great impediment to an adequate civil defense program or to an adequate program of casualty care is, in our opinion, the lack of a central source of authority to plan, direct and coordinate all efforts," Dr. J. Claude Earnest, of Monroe, La., vice-chairman of the A.D.A. Council on Legislation, said in the testimony. "This basic defect is everywhere apparent, particularly in the field of casualty care."

Dr. Earnest said the Association's experience indicates the need for a closer relationship of the casualty care program with the programs of the medical and dental corps of the armed services, particularly their reserve programs. "At the very least, an effective program of civilian casualty care will require the closest cooperation with the military and its plans for an emergency."

MEMBERSHIP GIVEN CAUTION FOR ANNUAL SESSION

A reminder to all dentists attending the forthcoming annual session of the American Dental Association to bring their 1956 membership cards to the meeting has been issued by Dr. Louis M. Cruttenden of Chicago, A.D.A. assistant secretary. The meeting will be held October 1 through 4 in Atlantic City.

Failure to have a card complicates registration for the meeting, compelling the individual to undergo additional procedures to obtain credentials for admission to the scientific program, it was pointed out by Dr. Cruttenden.

Registration can be considerably facilitated and bottlenecks avoided if visitors have their membership cards, he said.

• • •

One of the recently announced features of this meeting will be a concert by the world renowned Philadelphia Symphony Orchestra, conducted by Eugene Ormandy, especially for the members of the American Dental Association and their friends and guests. This concert will be presented at the Warner Theater, on the Boardwalk, Tuesday evening, October 2; it will be part of the official general session and open without charge to all members.

• • •

Because of the varied and interesting scientific and social programs already planned for the meeting, members are urged to make their hotel reservations as soon as possible. All leading hotels in the noted seaside resort have pledged accommodations for the four-day meeting. An application blank for hotel reservations appears in The Journal of the American Dental Association. These forms should be sent to the A.D.A. Housing Bureau, 16 Central Pier, Atlantic City.

NEW RECORD SET FOR A.D.A. MEMBERSHIP—85,660

On June 30 total A.D.A. membership reached 85,660 to establish a new

record. This total was 809 above the previous high set at the end of 1955 and more than 2,500 ahead of the corresponding date last year. More than eight out of every ten practicing dentists are now members of the Association.

Included in the record-breaking total were: 75,716 fully privileged members (active and life), up 2,426 over last June, and 9,725 student members, up 111 over the same date last year.

Membership in other categories was: affiliate, 188; associate, 16; and honorary, 15.

TV FILMS ARE NOW AVAILABLE TO DENTAL SOCIETIES

Three 20-second television spot announcements presenting important dental health messages have been produced by the American Dental Association. They are designed for use by state and local dental societies as a public service. Each is devoted to a phase of home dental care — toothbrushing, foods and dental health, and early dental care.

Copies may be rented from the A.D.A. Film Library or purchased from the A.D.A. Order Department, 222 E. Superior Street, Chicago 11.

The price for a single film is $10.00; the price for the complete set of three, $25.00.

NEW PAMPHLETS AVAILABLE FROM A.D.A. OFFICE

A new pamphlet on periodontal disease, entitled "They're Your Teeth," is available from the A.D.A.'s Bureau of Dental Health Education. The booklet, which has been approved by the American Academy of Periodontology, includes diagrams illustrating the progress of periodontal disease. The text explains the various kinds of periodontal disease, their cause, treatment, and prevention.

The bureau has also revised two other pamphlets, "Orthodontics: Questions and Answers" and "The Care of Children's Teeth."

Sample copies are available without charge upon request.

INTERNATIONAL DENTAL MEETING SET FOR ITALY IN 1957

The 12th International Dental Congress of the Federation Dentaire Internationale will be held in Rome from September 7 to 14, 1957, sponsored by the Associazione Medici-Dentisti Italiani.

A special invitation has been extended to dentists of the U. S. to join with representatives of the other forty-one nations affiliated with the F.D.I.

To bridge language barriers, interpreters will transmit all the scientific reports, papers, and discussions simultaneously in the five official languages of the Congress (Italian, French, English, German and Spanish).

Among some of the features to be presented at this meeting will be clinical and technical demonstrations, film and televisions programs, plastic surgery and maxillary-facial operations performed in Rome hospitals, scientific and book exhibitions, as well as an industrial exhibition and a meeting of the Armed Forces.

In addition, a special dental health exhibition has been organized, completely separated from all other exhibitions connected with the Congress. The purpose of this exhibition, which will be of three weeks' duration, is to give a general view of all that is being done today in the field of prophylaxis of dental diseases and for their treatment through social security and health

Directory of Members
1956

A key to the symbols used in this directory will be found on the preceding page. A member's name is followed by his address, component society, school and year of graduation, and year in which he became a member of the Illinois State Dental Society.

The symbol "Chi" indicates a Chicago address, and the name of the city is not repeated in the listing; "Illinois" has been omitted after all cities in the state.

Life members are designated by an asterisk; retired members, by "ret"; men in military service, by "s" in front of their names; and non-resident members, by "non-res."

Because this directory serves as a reference for a year, each member should retain his copy until the next directory is published.

Please check your listing and report immediately any corrections and/or additions to Dr. Paul W. Clopper, Secretary, Illinois State Dental Society, 632 Jefferson Building, Peoria, Illinois.

POSTGRADUATE COURSES SET BY DENTAL SCHOOLS

A course of lectures and demonstrations (including student participation) in the field of general analgesia and anaesthesia will be presented by Loyola University School of Dentistry, Chicago. The course, commencing in October, will be given on a part time basis over a period of three months. The study will include both clinic and hospital operating room service.

Loyola will also present a combined anatomy and oral surgery course on October 19 through 26.

The first part, to be given by Dr. Harry Sicher, will consist of lectures given at the cadaver while the respective region is being dissected. Special emphasis will be given to clinical application. The following regions will be covered: triangles of the neck, muscles of facial expression, parotid gland, facial nerve, muscles of mastication, infratemporal fossa, pharynx and larynx, tracheotomy and coniotomy, cranial base, nasal cavity, nasal sinuses, and oral cavity.

The last five days, under the direction of Dr. Joseph Kostrubala, will deal with a review of the pertinent surgical anatomy of the oral region. This will be followed with lectures on pathology and physiology. Four major divisions will be considered, namely, infection, trauma, neoplastic diseases, and congenital deformities.

Perhaps the most important feature of the course will be the surgical technique which will allow the students to actually perform the various types of operations in the laboratory on cadavers, including open and closed reduction of mandibular fractures, partial resection of mandible with bone grafting, and resection of maxilla for tumors.

Attendance for this course is limited to eight.

For further information contact Chairman, Department of Postgraduate Studies, Loyola University School of Dentistry, 1757 W. Harrison Street, Chicago 12.

Northwestern

Beginning in October, Northwestern University Dental School will present twenty-one short postgraduate courses spaced at intervals throughout the academic year 1956-57. The objective of these courses will be to acquaint the general practitioner of dentistry with the newer ideas and techniques of dental treatment. Although the basic concepts will be presented, the emphasis will be upon practical considerations used in clinical practice.

Practically every phase of dentistry will be represented with one or more courses. Three courses will be presented in oral surgery, as well as in periodontics. Other courses will cover the subjects of diagnosis and treament planning, dental drugs and prescription writing, high speed instrumentation, dental materials, pedodontics, endodontics, gold foil, elastic impression techniques, and many other topics.

The faculties for these courses have been selected from the Northwestern University Dental School faculty and

from the faculties of many other dental schools in the United States and Britain. Whenever feasible, patients will be provided and each participant will be given an opportunity to perfect his skill by clinical experience. The enrollment for each course is limited according to the facilities available so that each participant will receive individual attention.

For further information, please address the Director of Postgraduate Study, Northwestern University Dental School, 311 East Chicago Avenue, Chicago 11.

Michigan

The W. K. Kellogg Foundation Institute of the University of Michigan has recently issued a new booklet containing a "Schedule of Postgraduate Courses, 1956/1957."

Included are dates for the one-day-a-week, two-day, three-day, one-week, and two-week courses in all phases of dentistry.

A copy of this booklet and further information about postgraduate studies may be obtained from Dr. William R. Mann, Associate Director, W. K. Kellogg Foundation Institute, Graduate and Postgraduate Dentistry, University of Michigan, Ann Arbor, Michigan.

Illinois

In order to keep practicing dentists abreast of recent advances in dentistry, the University of Illinois College of Dentistry will offer a concentrated, full-time two-week course in oral and maxillofacial surgery in October. The course, which is available to practicing dentists throughout the United States, will begin Monday, October 15, and continue through Friday, October 26.

This course is designed to cover every possible phase of oral and maxillofacial surgery and includes subjects such as mouth preparation for dentures, surgical removal of fractured roots, treatment of cysts, gingivectomy, frenectomy, and apicoectomy. These subjects, which should attract the special attention of the general practitioner, will be presented by eleven members of the Illinois faculty.

Dr. Daniel M. Laskin, associate professor of oral surgery, will direct the course. While the presentation will not exclude those specializing in the field of oral surgery, it is primarily for the dentist in general practice. The complete curriculum and schedule will be sent upon request.

Inquiries should be addressed to the University of Illinois College of Dentistry, Postgraduate Extension Division, 808 S. Wood Street, Room 165, Chicago 12.

SOCIAL SECURITY BILL SENT TO PRESIDENT'S DESK

A Social Security bill bringing self-employed dentists into the Old Age and Survivor's Insurance program for the first time was before President Eisenhower after clearing Congress in the final hours of the 84th session.

The bill adds an estimated 200,000 self-employed persons to the program, including dentists, lawyers, and all others presently exempt in professional groups except physicians. In a last-minute move, osteopaths also were included in the bill.

Under the measure, approximately 79,000 dentists would pay taxes of 3⅜ percent on the first $4,200 of their annual net earnings, or $141.75, the first assessment to be filed with the 1956 income tax return in early 1957. The starting date for retirement payments and other benefits under the program would be January 1, 1956, and the first benefit payments could be made for the period ending in July, 1957.

The maximum payment after the retirement age of sixty-five is $108.50 monthly and an additional $54.25 if the beneficiary has a wife over sixty-five. Under the new bill, wives of retired individuals could at age sixty-two elect to receive a lower amount.

Generally, a self-employed dentist under the age of sixty-five and now in practice would be eligible for retirement benefits at age sixty-five (1) if he practices for at least ten years after January 1, 1956, or (2) if he practices one-half the time between January 1, 1956 and his 65th birthday, assuming that he spends at least a year and a half in practice and earns at the rate of at least $400 a year.

Dentists now past the age of sixty-five could qualify under the program by being in practice for a year and a half after January 1, 1956, and earning at least $600 in this period of time. Dentists would also be eligible under the new disability provisions of the bill which allow totally and permanently disabled persons to receive payments at the age of fifty. These extend from $30 to $108.50 monthly and would go into effect next July.

Under the survivor's provisions of the measure, a widow over sixty-two may be entitled to draw three-fourths of the benefits earned by her husband, while a mother of any age with children under eighteen may be entitled to three-fourths of the benefits earned by her husband plus the same amount for each child up to a maximum payment of $200 for a family.

ALL RECORDS SHATTERED AS RELIEF DRIVE ENDS

The most successful A.D.A. Relief Fund campaign in history ended June 30 with total contributions of $114,961 or 115% of the quota. The 1955-56 total was more than $3,500 above the previous high of $111,273 set at the end of last year's drive. In all, forty-five constituent societies and federal services exceeded their quotas in this year's campaign.

Alaska led all societies by contributing 798% of its quota. Tennessee was second with 371.1%. Then followed Arizona, 214.7%; South California, 205.8%; Nevada, 205%; and Alabama, 202.9%.

New York again led the nation in dollar volume with a total contribution of $12,911, representing 86% of its quota. Southern California was sec-

ond with $9,715.50 (205.8% of its quota), and Illinois was third with $8,311.50 (116.7 per cent of its quota).

$4 MILLION RESEARCH BILL SIGNED BY PRESIDENT

Three more bills dealing with dental research have reached President Eisenhower's desk and one has been signed into law. As the 84th Congress went into history, the record chalked up on both sides of Capitol Hill showed major gains for the dental profession.

The President, on July 19, placed his signature on the bill boosting from $2 million to $4 million the authorization for the construction of a building to house the National Institute of Dental Research. The measure is now Public Law 732.

In a supplemental appropriation bill, also sent to the White House after approval by Congress, $200,000 was included for the preparation of plans for the building. The same supplemental bill contained an appropriation of $30 million as the first installment on a $90 million three-year program of matching grants for construction and expansion of research facilities, principally for schools of dentistry and medicine. Along with the initial appropriation, the starting date for the program was set for July 1, 1956.

A third research measure, the grants-in-aid bill, cleared Congress in the last days of the 84th session. It provides that federal contributions would have to be matched by private institutions which conduct research "in the sciences related to health." To administer the program, the bill also calls for a National Advisory Council on Research Facilities made up of twelve members, eight of whom would be "leading medical, dental, or scientific authorities."

Mrs. Brown refused to sink

"KEEP rowing or I'll toss you all overboard!"

The threat came from a red-headed woman dressed in corset and bloomers, with a Colt .45 lashed to her waist. And as the crowded lifeboat marked *S. S. Titanic* lurched into the waves, she rowed too, rowed until her hands bled.

Mrs. Margaret Tobin Brown had come a long way to take charge of that lifeboat. Once penniless, she now had millions, for her husband, "Leadville Johnny" Brown, had struck it rich. Once spurned by Denver society, she now hobnobbed with nobility.

But, as she said, "You can't wear the social register for water wings." Her $60,000 chinchilla cloak covered three frightened children; her other outer garments she had given to elderly women. She swore, threatened, sang grand opera, joked —and kept her boatload of wretched survivors going till rescue came.

When they asked her how she'd done it, she replied, "Typical Brown luck. I'm unsinkable." But it wasn't luck. It was pluck. And Americans have always had plenty of that smiling, hardy courage. When you come to think of it, that's one reason why our country's Savings Bonds rank among the world's finest investments.

For 160 million determined Americans back those Bonds.

The surest way to protect your security, and the nation's, is through United States Savings Bonds. Invest in them regularly—and hold on to them.

It's actually easy to save money—when you buy United States Series E Savings Bonds through the automatic Payroll Savings Plan where you work! Prolonged life...

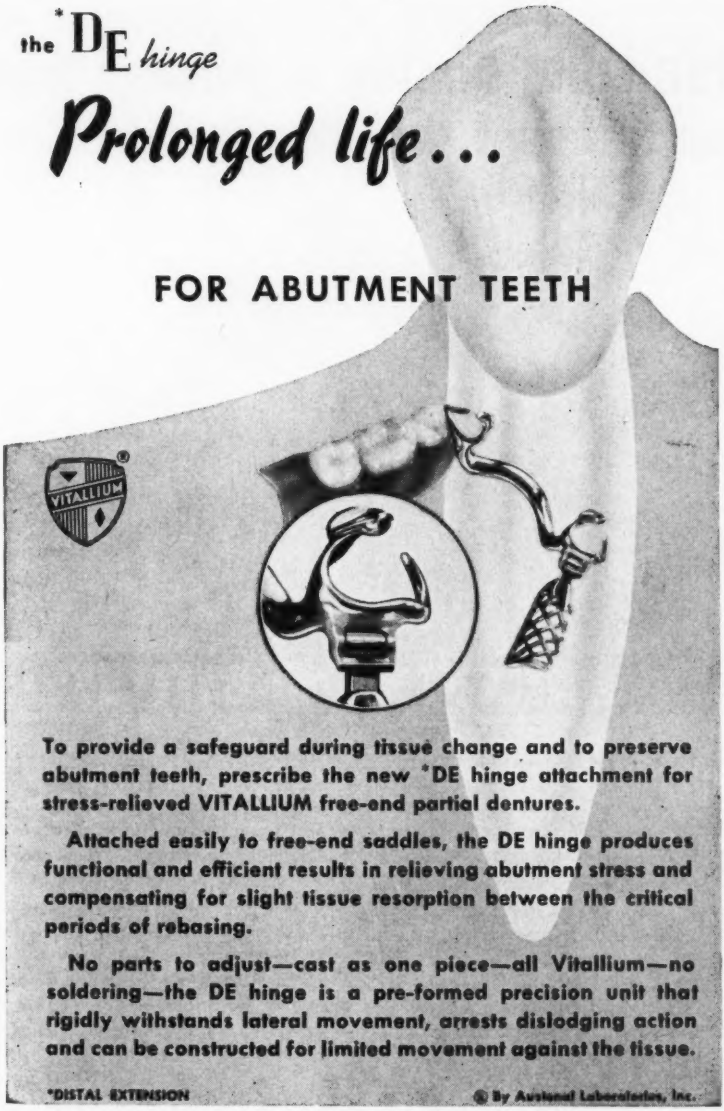
FOR ABUTMENT TEETH



To provide a safeguard during tissue change and to preserve abutment teeth, prescribe the new *DE hinge attachment for stress-relieved VITALLIUM free-end partial dentures.

Attached easily to free-end saddles, the DE hinge produces functional and efficient results in relieving abutment stress and compensating for slight tissue resorption between the critical periods of rebasing.

No parts to adjust—cast as one piece—all Vitallium—no soldering—the DE hinge is a pre-formed precision unit that rigidly withstands lateral movement, arrests dislodging action and can be constructed for limited movement against the tissue.
